

BUILDING FOR THE FUTURE WITH CACFP

THIS CHILD CARE PROVIDER RECEIVES SUPPORT FROM THE CHILD AND ADULT CARE FOOD PROGRAM (CACFP)

The Child and Adult Care Food Program (CACFP) supports child care providers and centers to serve healthy meals to infants and children. Meals and snacks served here must meet USDA's nutrition standards, called the meal pattern.

MEAL PATTERN AT A GLANCE (AGES 1-18)*

Breakfast	Lunch or Supper	Snack (Choose 2)
Fluid milk Fruit or vegetable Grains Meat/meat alternate	Fluid milk Fruit Vegetable Grain Meat/meat alternate	Fluid milk Fruit Vegetable Grain Meat/meat alternate

*INFANTS (0-12 MONTHS) FOLLOW A INDIVIDUALIZED MEAL PATTERN

CONTACT

This provider operates the CACFP under a Sponsoring Organization (SO). The SO is responsible for conducting onsite monitoring to ensure program compliance and provide support regarding USDA's nutrition standards and education, food safety/sanitation, and recordkeeping requirements. If you have any questions about the CACFP, please contact:
